

BARRE LOST TO TROOPERS

Close Game at Berlin Street Grounds, Saturday

SOME FAST BALL PLAYING

Visitors Bunched Their Hits and Were Aided by Errors at Critical Times. Scampini for Barre Pitched Well.

In a close and exciting game the Tenth Cavalry baseball team from Fort Ethan Allen defeated the Barre Independents at the Berlin street grounds Saturday afternoon, by the score of 6 to 5.

Although the locals played fast ball throughout, they were unable to check the colored men, who seemed to gain strength as the game progressed. The batteries were—Scampini and Wishart for Barre and Thompson and Lewis for the Tenth Cavalry. The gift-edged work of Johnson, Smith and Bishop were features of the game. FAST WRESTLING MATCH.

Somerville Won from Abdullah in Armory, Montpelier, Saturday Night.

The first wrestling match of the season, which was to have been held at the Montpelier armory Saturday afternoon, was postponed until evening and was then held in the armory at Montpelier. The matches, both the preliminaries and the main bout, were interesting and swift and were witnessed by several hundred spectators. The first match was between Crickchank of Barre and Benzie of Montpelier, and the former proved to be the better man, the Barre boy getting his first fall at the end of three minutes.

The second fall went to Crickchank, also, after an extra minute of wrestling, with the head and shoulders and hammer lock. Another preliminary was between Bixby, the champion of the 125-pound championship of the state, and Christensen, a Barre wrestler. This was won by Bixby, Kid Sumner of Montpelier and Young Curran gave a boxing exhibition.

The main wrestling match of the evening was between Bob Somerville of Rutland and Abdullah, the Jersey City Turk. The latter weighed in at 148 pounds, while Somerville had a weight of 140 pounds. The wrestling was fast and exciting, the Turk going down in the first round after 45 minutes of furious work, while in the second bout Somerville had it all his own way, though the Turk put up a good fight. In this bout, Abdullah went down in 31 minutes, losing the match. He claims that this is the first bout he has lost for several years, and he wants Somerville to meet him again.

Montreal, France, May 16.—Daniel Kinet, the Belgian aviator, yesterday broke the world's record for an aeroplane flight with passenger, remaining in the air for two hours and fifty-one minutes.

At Chalons-sur-Marne on April 8, Kinet made a flight with passenger of two hours and twenty minutes. Previous to that Oswald Wright held the record having remained in the air at Berlin last September with a passenger for one hour and fifty-five minutes.

10 GRAFTERS ARRAIGNED

Bankers, Physicians and Politicians in it

SENTENCED AT PITTSBURG

They Were Convicted of Corruption in City Business—All But One Pleaded No Defense to the Indictments.

Pittsburg, Pa., May 16.—Ten prominent Pittsburghers, including bankers, physicians and politicians, faced Judge Robert S. Frazer in criminal courts Saturday to receive their sentences on various charges of bribery and conspiracy in connection with councilmanic corruption recently exposed. All except one have already pleaded no defense to indictments alleging the giving and receiving of bribe money.

When court opened the name of A. A. Vilasak, former cashier of the German National bank, was called. Vilasak's attorney, ex-Gov. W. A. Stone, moved for an argument to appeal any sentence that might be forthcoming later. At the conclusion of the argument Judge Frazer imposed a sentence of eight months in the county jail and a fine of \$3000. As rapidly as their names could be called and their appearance made, five other former select and common councilmen were sentenced by Judge Frazer as follows:

Charles Stewart, former select councilman, sentenced to eight months in the county jail and fined \$500.

Hugh Ferguson, former common councilman, sentenced to eight months in the county jail and fined \$500.

Dr. W. H. Webber, former select councilman, sentenced to six months in the county jail and fined \$500.

P. B. Kearns, former select councilman, sentenced to four months in the county jail and fined \$250.

Morris Einstein, former select councilman, sentenced to four months in the county jail and fined \$250.

Because of illness in their families the sentencing of E. H. Jennings, president of the Columbia National bank, and F. A. Griffin, former vice-president of the same institution, was postponed, on consent of the district attorney, until this week. The petitions for postponement were not made a part of the court records. The sentencing of C. W. Friend, vice-president of the Clinton Steel and Iron company, son of the late James W. Friend, the multimillionaire, and M. L. Swift, jr., former common councilman, were also postponed, the first on account of the court's unpopularity at this time to pass sentence, and second upon motion of counsel to argue for new trial.

In all of the cases Judge Frazer delivered short statements before passing sentence, referring to the previous good record of the self-confessed bribers, and in each instance saying that his imposition of sentence was "the purest sense of his duty to himself and to the people of Allegheny county."

VAN CLEAVE DEAD, WORN OUT BY WORK

His Business Associate Says That He Died From Fighting Labor Unions.

St. Louis, May 16.—J. W. Van Cleave, former president of the National Manufacturers' association, died of heart disease at his home here yesterday. Mr. Van Cleave was nearly 81 years old and until six months ago he was in robust health. H. C. Thompson, for 30 years his business associate said last night Mr. Van Cleave's breakdown could be traced to his war with the labor unions.

Mr. Van Cleave attracted international attention and became a power to contend with in both of the large political parties in national convention by reason of his uncompromising attitude toward the big union labor leaders. When the Banks Store & Range company, of which he was president, was boycotted, following a dispute with a local union, he obtained an injunction against Samuel Gompers, John Mitchell and Frank Morrison.

The injunction was ignored and the three labor officials were sentenced to jail for contempt of the federal court of the District of Columbia. An appellate court sustained the sentence and an appeal to the supreme court of the United States is now pending. At the time of his death, Mr. Van Cleave was a member of the executive board of the National Association of Manufacturers.

ACQUIRE WATER RIGHTS.

Big Transfer in Western Part of Vermont.

Rutland, May 16.—George C. Underhill completed Saturday the purchase of the most extensive water power rights in the state, the lands being situated in Addison county between Weybridge and New Haven on the New Haven river and Otter creek. This is understood to be the beginning of an investment in value of hundreds of thousands of dollars.

The deeds, with one exception, are in the hands of Leroy Baldwin. The other is held by Mr. Underhill and will eventually go to Mr. Baldwin, it is understood.

The rights will represent about 8,000 horse power and cover Huntington Falls between New Haven and Weybridge, and the Brooksville Water Power company, the latter alone representing about five thousand horse power, all the land between Huntington Falls and the Brooksville power on both sides of the river has been purchased. It is believed the purchase may mean the building of a new trolley road connecting Fair Haven and Vergennes and possibly one between this city and Middlebury along the foot hills of the Green Mountains.

ONCE RICH, DIES A PAUPER.

Wanderer's Wife Dies, Too, Before He Can Effect Reconciliation.

Winsted, Conn., May 16.—The body of Thomas J. McClear, at one time reputed to have been worth half a million dollars and formerly proprietor of hotels in St. Louis and Cincinnati, is in an undertaker's shop here awaiting burial. He died in the County Hospital a week ago, a pauper. He has two children and a brother and sister living here, and the undertaker is holding the body in the hope that some of them will save him from the potter's field.

McClear and his wife parted twenty years ago. He reappeared, ostensibly to effect a reconciliation, but Mrs. McClear, who was ill with pneumonia, died within a few days. He has been an opium addict and his children, he says, were suddenly stricken and taken to the hospital, where he died that night from a complication of diseases.

Miss Mendle's Friends Hear She Was Married to W. S. Brinamade in East Orange.

New Haven, Conn., May 16.—The story of the friend of Carolyn Gertrude Mendle, of the hosiery department of the New Haven Shoe company, who disappeared last Wednesday, was dispelled Saturday. It was announced that she and Wallace Seymour Brinamade, a graduate of the Sheffield Scientific school, class of 1908, were married in East Orange, N. J., by the Rev. Ferdinand D. Blanchard.

Brinamade is the son of ex-Senator Daniel Seymour Brinamade, president of the Quonset Water company of Shelton, prominent in state politics and among financiers. Young Brinamade is twenty-four years old. He became acquainted with Miss Mendle when he was a student here. She had been working for the New Haven Shoe company for two years. She left the shop for lunch on Wednesday noon, and has not been seen since. She is a niece of Mr. and Mrs. Isaac Mendle, with whom she lived.

Advice for the Waiter.

Jack Barrymore dropped into a Broadway restaurant the other day and fate assigned to him a waiter who, to quote the actor, was "solid ivory from the chin up."

Failing to get anything he ordered, he at last lost patience.

"Waiter," he said, "you are the ultimate thing in punk dispensers of gastronomic provender! Why don't you chuck this job and try piccolo-playing at the opera?"

"I can play a da peccolo," said the waiter.

"That's all right," replied Barrymore. "Why waste all your incompetence in one place?"—From Success Magazine.

30,000 ARMY TO TAKE PART

In King Edward's Funeral Ceremonies

AN IMPOSING SPECTACLE

All London Is Absorbed with the Preparations for the Great Event, and 200,000 Are Expected to View Remains.

London, May 16.—The whole court and all London are absorbed in the preparations for the funeral of King Edward, which will be the most imposing ceremonial Great Britain's capital has ever witnessed. Thirty thousand soldiers will be brought from Aldershot and other military camps to line the streets on Friday, when the procession passes. As there is no room to barrack them over nights, the soldiers
